

near the car
between the lines
my own father
in the country
add it up
read every story
below the water
plants and flowers
Will it last?
Keep it up.
Plant the trees.
Light the fire.
the light in your eyes
in my head
under the earth
We saw the food.
Close the door.
the big city
We started the fire.
It never happened.
a good thought
Stay a while.
a few good men
Don't open the door.
You might be right.
It seemed too good.
along the way
next time
It's hard to open.
Something good

for example
in the beginning
those other people
a group of friends
We got together.
We left it here.
both children
it's my life
always be kind
Read the paper.
run for miles
once upon a time
do it often
We walked four miles.
until the end
a second later
Stop the music.
Read your book.
Sing your song.
State your case.
I miss you.
a very important person
on my side
I took the car.
so far so good
the young girl
My feet hurt.
ahe dark night
A good idea
It began to grow.

Watch the river
white clouds
too soon
Leave it to me.
I hear the waves.
almost enough
Is it really true?
It's time to eat.
Let me carry it.
near the sea
Talk to my father.
the young face
the long list
my family
I cut myself
above the clouds
Watch the game.
the peaceful Indians
without a care
I like being on the team.
the tall mountains
next to me
a few children
a long life
a group of Indians
He started to cry.
an important idea
the first day of school
almost four miles
