Council Policy
Determination of Curriculum
KRS 160.345(2)(i)1**

Policy Number	
3	
<i>Type:</i>	<i>Required</i>

The school council shall expect, and the principal direct, certified members of the Wurtland Middle School faculty to participate in the determination, implementation, monitoring, and modification of a curriculum that meets the developmental and academic needs of our students. Under the facilitation of district staff, faculty members shall assist in the development of a curriculum, which meets the expectations of Kentucky's Program of Studies, Core Content for Assessment, and other curriculum documents. Every effort shall be made to align the curriculum both vertically and horizontally and to address key transition points.

The school council shall adopt the curriculum of the Greenup County Board of Education as the curriculum, which shall be implemented at the school. It is our opinion that this curriculum is aligned with stage standards and is appropriate for our instructional needs. Subsequent amendments to the curriculum by the Greenup County Board of Education shall become effective immediately upon approval by the Board.
