

Greenup County Schools

2019-20 Bus Route Schedule - Bus numbers are susceptible to change on a temporary or permanent basis as deemed necessary by the transportation department.

Pursuant to Kentucky Revised Statute (KRS) 158.110, bus riders are to be at the assigned bus stop five minutes prior to the scheduled arrival time of the bus. Buses make several stops during their routes and their schedules prevent them from waiting for riders.

We appreciate your cooperation.
