

# McKell Middle School

## Curriculum Policy

The council is dedicated to providing a challenging curriculum for all students. This curriculum shall be aligned with all state level standards.

The curriculum shall include developmentally appropriate instructional strategies and activities to promote higher-order thinking and problem-solving skills and a philosophy that addresses an understanding of the individual needs of each student. All students shall have full access to the Kentucky core curriculum concepts for their grade level prior to the spring assessment.

The principal shall ensure that assessments are authentic and that progress for students is monitored. The principal and teachers will constantly analyze progress data of students.
