## **Instructional Materials Policy**

Each year, individual teachers and teacher teams may make requests for additional equipment and materials for their classes. Materials shall be used to enhance instruction in the core curriculum concepts.

Then principal will be responsible for reviewing the resources of the school media center with the school media specialist in order to ensure that adequate materials are available on a school-wide basis.

The principal will ensure that student support services, textbooks and instructional materials are available to teachers as allowed by available funds to the council.
